GALLBLADDER SYMPTOMS QUESTIONNAIRE:

- Do you have pain on the right side just below the rib cage?

- Do you have pain between the shoulder blades or beneath the right shoulder blade?

- Do you have bouts of nausea and/or vomiting?

- Do fatty or greasy foods upset you?

- Do you experience gas and bloating frequently?

- Do you burp or belch frequently?

- Do you experience chronic constipation?

- Do you have a history of gallstones or gallbladder removal in your family?

- Have you had your gallbladder removed?

- Have you ever taken birth control pills?

Have you taken any special diets or cholesterol lowering drugs in the past?

This questionnaire is purely for educational purposes only and not to treat or diagnose any gall bladder conditions.
